I'm looking at the Office Action dated 02/26/01, I noticed what may be a typographical error. In item 5 on page 3, you have stated that the double patenting rejection is made over claim 77 of Application No. 08/796,164. Since claim 77 is not drawn to a method of treatment, I am wondering if you meant to cite a different claim or claims. Please let me know if this is the case.
